OBJECTIVE

To secure a challenging position where I can incorporate my theoretical knowledge, practical skills, and passion for coding to contribute to the development and implementation of projects for the organization.

▼ Portfolio

EDUCATION

St. Thomas' College of Engineering & Technology, MAKAUT,	2020 - 2024 Kolkata, India
Bachelor of Technology in Electronics and Communication Engineering CGPA - 8.92 (upto 6th Semester)	·
Howrah Vivekananda Institution, WBCHSE , 12th Standard Percentage - 74.20	2020 Howrah, India
Howrah Vivekananda Institution, WBBSE, 10th Standard Percentage - 69.57	2017 Howrah, India

PROJECTS

Major Project(Present): Industrial Parameter Monitoring System, | Li-Fi Technology |

- Developing a robust industrial parameter monitoring system by integrating Li-Fi technology for high-speed data transmission.
- Implementing a real-time data monitoring system for enabling the continuous tracking of critical industrial parameters such as temperature, humidity, and pressure.

Mini Project: Driver Drowsiness Detection and Alerting System, | Arduino UNO |

- Implemented an IR sensor to monitor the blinking rate of the driver's eye.
- Used a Piezo-Electric Buzzer to alert the driver.

Smart Home Application, | *IoT, Firebase Database* |

- Developed an IoT based Smart Home Application with a Smart Door Lock.
- Implemented Cloud IOT using NodeMCU.
- Utilized Firebase and MIT App Inventor for global home appliance control.

Portfolio Website, | HTML, CSS, JavaScript |

- Developed a portfolio website using HTML, CSS and JavaScript.
- Published site using GitHub.

TECHNICAL SKILLS

Languages:

Python, SQL, C++, C

Web Development:

HTML, CSS, JS

Technical Knowledge:

Object Oriented Programming using C++, Database Management System

Core Subject:

Microprocessor and Microcontroller, Computer Network

TRAINING

NullStack Technologies, Pvt. Ltd.

02.2023 – 04.2023 | Kolkata, India

Completed the Training Programme: "Python - Basics & Beyond" encompassing a span of 3 months.

BSNL, NSBTTC

01.2023 | Kalyani, India

Completed a two-week vocational training on basic telecom technology at NSCBTTC in Kalyani.

PERSONAL DETAILS

Hobbies: Watching movies and tennis, playing chess & cricket

Languages: English (Professional Proficiency), Bengali (Native), Hindi (Conversational Proficiency).
